INVITATION LETTER

Dear Friends,

According to the events calendar of The Bulgarian Sailing Federation (BULSAF), the 15th International Regatta "Cor Caroli" will take place from the 13th till the 16th of August, 2015. During the past years, the regatta has become a center of attraction for many yachts and elite sailors from Bulgaria and other countries. The regatta is organized by Foundation "Cor Caroli", the Municipality of Varna and BULSAF. It is created in memory of Captain Georgi Georgiev - the first Bulgarian solo circumnavigator in 1976 - 1977.

Every year on December 20th the best Bulgarian sailing achievement is awarded with the golden globe "Cor Caroli" in honor of Captain Georgiev's race. Our events are aimed at the conservation and enhancement of the marine culture among both the experienced and young sailors.

In fact "Cor Caroli" is the name of Capt. Georgiev's yacht and during the years, the regatta has established itself as the most spectacular yachting race in Bulgaria. The offshore legs test endurance and sporting qualities of the competitors and their boats, and encourages the public interest to the event.

It is our pleasure to invite all your boats and crews to the 15th annual regatta. We will make every effort to be a great host and together we will have an unforgettable experience in the sea.

Best regards,

Mr. Angel Anagnostiev
Chairman of the Organization committee
